

Computing DREAM Key Vocabulary—Nursery and Foundation Stage

Bee-Bot	digital	mouse	computer	technology
touch screen	print	mapping	position	Internet
Search	Video	information		

Computing BELIEVE Key Vocabulary—Year 1 and Year 2

technology	computer	mouse	keyboard	screen
paint program	tool	fill	undo	command
sprite	programming	block	run	instructions
device	photograph	focus	editing	format
data	tally chart	pictogram	sequence	project
evaluate	code	Scratch		

Computing ACHIEVE Key Vocabulary—Year 3 and 4

input	process	output	network	switch
server	wireless access point	animation	stop-frame animation	onion skinning
event block	frame	refine	import	transition
attribute	value	objects	branching	database
modify	refine	compare	order	organise
decision tree	duplicate	crop	rotate	adjustments
hue	saturation	sepia	vignette	retouch

Year 3 and 4 Key Vocabulary continued

snippet	algorithm	debug	count- controlled loop	infinite loop
value	trace	decompose	procedure	costume
clone	composite	background	foreground	Logo

Computing ACHIEVE Key Vocabulary—Year 5 and 6

vector	variable	resize	event	fair use
layers	embed	group	ungroup	record
field	sort	hyperlink	graph	condition
design	outcomes	conditional statement	communication	protocol
fair use	IP address	Domain Name Server	packet	collaboration
web page	browser	HTML	copyright
