This term's Doorway...

Doorways and Pathways:

This term we will be going through the Doorway 'Stepping Back!' and on the Pathway of 'Traditional Tales'. We will be welcoming our new children to Nursery, learning all about different types of houses, different characters like The Three Little Pigs and 'Little Red Riding Hood' and doing some baking as well. We will be getting out and about and enjoying visits to our local wood. We will also be celebrating different special events such as Harvest and Halloween.

This term's Values...

Some curriculum highlights this term

Home learning

Getting to know our Nursery routines—talking to your child about their peg, owl, lunch box and water bottle.

Reading and singing with your children regularly will help them to develop a love for Literacy at a young age.

Finally... We certainly have a busy and exciting year ahead and look forward to working in partnership with you to help support your child's learning journey. Your support and communication is much appreciated. Please remember to check Tapestry for regular updates.
