KEEPING YOU INFORMED FROM MR SPRINGETT-MCHUGH & MRS DRAPER

NEW WEBSITE LAUNCH

Dear Families

We are delighted to share some exciting news with you — we have launched our brand-new, modern school website!

Our aim has been to create a fresh, vibrant online space that truly reflects the energy, values, and community spirit of our school. The new site features updated images, a cleaner layout, and improved navigation, offering a real window into daily life across all our provisions.

One of the biggest changes you will notice is our new landing page, which appears as soon as you open the website. From here, you will find three clear links that take you directly to each of our dedicated areas:

- Main School
- The Nursery Village
- The Hive – our new SEND Unit opening in September 2026

This new structure makes it easier for families, visitors, and our wider community to find exactly what they need quickly and confidently. It also makes our full offer as a school more explicit, celebrating each part of our provision equally.

For your convenience, clicking the school logo at the top of any page will always take you back to the main landing page, no matter where you are on the site.

We hope you enjoy exploring the new website and that it provides a clearer, more engaging experience for everyone. Please follow the link to our new site - oxleyparkacademy.com

Warm regards

Mr N Springett-McHugh
Executive Principal

Mrs K Draper
Associate Principal
