KEEPING YOU INFORMED FROM MR SPRINGETT-MCHUGH & MRS DRAPER

ANNUAL FAMILY SURVEY

Dear Families

We are pleased to share with you our annual [Family Survey](#), an important opportunity for you to let us know how things are going and to share your experiences of our school community.

Your feedback plays a vital role in helping us continue to grow, strengthen what is working well, and improve where needed. As always, we hope that if you have had any worries or concerns during the year, you have already been able to raise these with us directly so we can support you and move things forward together. We know that sometimes concerns still appear within the survey responses, and while we do read and value them, they can skew the results if they relate to matters already being handled. If something is still unresolved, please do reach out to us, we are always here to help.

Alongside your feedback, we would be grateful if you could use the first box of the survey to share a positive comment or a lovely quote about your child's experience, our staff, or the school in general. These messages really help us celebrate the brilliant things happening across the school. All these positives are ideal for us to share as quotes around the school, on our website, and on our social media channels, but always anonymously.

Thank you in advance for taking the time to complete the survey. Your voice genuinely matters, and we truly value the partnership we share with all our families. The survey will close on Friday 13 March 2026.

Warm regards

Mr N Springett-McHugh
Executive Principal

Mrs K Draper
Associate Principal
