

### We Are All Oxley Park Academy...

- Here at Oxley Park Academy, we value our learning and learning environment. Our Oxley Parkers created their own Play Charter to follow when they are outside in OPAL...

### Here at Oxley Park, when playing we...

- Follow our 6V Values
- Are creative
- Take care of the environment and our equipment
- Experience different things
- Are friendly and kind to each other
- Let everyone join in and have a go
- Tell an adult if equipment is broken
- Let everyone have a choice at sharing their ideas
- Help tidy up
- Have fun!

- Together, these expectations help us create a play environment that is safe, welcoming and exciting for everyone.
- When we all follow these principles, playtimes at Oxley Park become a place where children can explore, grow in confidence, build friendships, and discover new interests.
- Most importantly, it ensures that every child feels valued, included, and ready to enjoy their time outdoors.
- We share our Play Charter during our OPAL assemblies, to remind our Oxley Parkers, we are all in this together!
